One way to beat the heat

Last week's hot weather made the idea of a cool lake an inviting thought. David Vosti tried his hand at sailing away after renting a sail boat at Lake Cunningham Park in San Jose. Photo-

grapher Jenna Calk caught Vosti just as the wind caught the sail.

Library conducting annual magazine drive

The Friends of the Campbell Public Library have begun their annual campaign to gather funds for the library's magazine collection. Contributions from individuals, businesses, and corporations in the Campbell area are being sought to help maintain and enlarge the library's periodical collection.

By donating funds, sponsors help provide subscription renewals or subscriptions to new titles that the library could not otherwise afford to add, as well as maintaining some costly business and investment services. Donors may choose particular magazines to sponsor or may leave

the choice to a librarian. Partial sponsorship is accepted. The sponsor's name may be displayed in the library as a magazine donor if desired.

Since it began in 1978, the magazine campaign has been a successful annual fundraising event for the Campbell Public Library, which is a branch of the Santa Clara County Library System. Last year's campaign raised over \$1,700, and it is hoped that this year's goal of \$2,500 will be met. For more information about the magazine campaign, call the Reference Desk, 378-8123, at the Campbell Public Library.

Channel 54 solvent after public pledges

Television viewers throughout the Bay Area have contributed over \$1.4 million to KTEH/Channel 54 since its funding was cut by nearly 30 percent in early February. As a result of this community support — a response to a well-publicized financial emergency that threatened the future of public television in San Jose — KTEH is now assured of staying on the air, for the time being at least.

The current fiscal year ended June 30; KTEH was hopeful of reaching its community fund-raising goal of \$1.5 million. By comparison, this figure is nearly double the \$798,000 in community support contributed during the previous fiscal year.

"The community really came through on this one," exclaims KTEH General Manager Maynard Orme. "The support we've received over the past five months has been deeply gratifying. Viewers through-

out the Bay Area have literally saved KTEH from going off the air. Although we're by no means out of the woods yet, we've made a positive first step toward surviving what appeared to be a potentially devastating budget cut."

The recent crisis resulted from a \$780,000 cut in support from the station's licensee, the Santa Clara County Board of Education. In February, the board — trying to balance its own deficit budget — voted to reduce its support of KTEH in the new fiscal year which began July 1 from \$1.03 million to \$250,000.

Reacting to this decision, KTEH immediately took its plight directly to the community, airing a number of special on-air fund drives. In an emergency seven-day campaign held in mid-February, over 4,000 viewers contributed more than \$210,000 to KTEH. The station's previous on-air record was \$151,500,

raised over 10 days in December, 1983.

During KTEH's annual Spring Fundraising Festival in March, over 5,000 viewers contributed \$357,000. In the fiscal year's final on-air campaign held June 1-7, an additional \$60,960 was pledged. Remaining monies have come from a direct mail campaign and support from the local business community. In early June the Board of Education also voted to restore \$149,000 of the funding that had been previously cut. This money is to be used expressly to help finance KTEH's daytime Instructional Television Service.

"Our objective over the last five months," Orme explains, "has been to raise enough money from the community this year to compensate for a portion of the loss in next year's budget. Of the \$1 million contributed since February, \$300,000 will be

carried over to the new fiscal year. This means we'll still have to raise \$480,000 above our original goal of \$1.5 million this coming year to make up for the \$780,000 cut."

Despite recent successes, Orme cautions that KTEH still faces a formidable task in meeting future fundraising goals. "This increased level of community support must continue into the future. In the years ahead the funding cut by the Board of Education will have to be raised from other sources, primarily our viewers. If the station is to survive, we must maintain and build upon the increased community support demonstrated since February."

Orme does point out that the recent fundraising successes should mean that KTEH will be able to eliminate its emergency on-air fund drives and return to the normal three on-air pledge campaigns per year in fiscal year 1985-86.

Veterinary Notes

TUMORS IN CATS

The likelihood that a cat will get a tumor increases with its age. Cats over the age of seven are particularly tumor-prone. Some of the more common cat tumors in the abdomen, liver, chest, etc., are virtually impossible for an owner to detect. Others are easier to find. Regularly inspect the cat for growths in his mouth and on the outside of his body. Mammary glands, which are especially common tumor sites, should be checked for growths. If the cat is light-haired, especially one with white ears and nose, try to keep it out of intense sunlight. Light-haired cats are particularly susceptible to skin tumors. They may be treatable, however, in the early stages by surgical removal or radiation therapy.

When your pet appears ill or out of sorts, have him examined by your veterinarian. Never give aspirin to your cat. It is poison to them. The walnut trees in this area are very poisonous to your dog. It is often very difficult to determine exactly what has your pet out of sorts. With so many potential dangers lurking about, it is better to seek professional assistance when your pet appears ill. Here at SARATOGA PET CLINIC, we offer you full medical services. Look for us at 12250 S. Hwy. 9, Saratoga. Tel. 253-6717.

Wounds from cat fights can form abscesses. Have your cat checked by the vet.

Ross fires hole-in-one at Fairway Glen

Barnett 'wakes up' to win 15th Fuchsia

The golfers in the 15th annual Fuchsia Drive Invitational learned an important lesson back on June 23rd . . . let sleeping dogs lie!

Or, in this case, it's let sleeping golfers lie.

At any rate, you can bet they'll never hit Dave Barnett in the face with a golf ball again . . . not at the annual Fuchsia Drive golf tournament.

Because after Barnett was accidentally struck in the face by a wild golf shot in the June 23rd tourney at the Fairway Glen Golf Course in Santa Clara, he caught fire to claim his first Fuchsia title since 1977.

Barnett came right back to birdie the next hole after getting hit with the golf ball and finished the day with a 79-9-70 to win the tournament title.

Barnett, who had won the pre-tournament putting contest with David Mignano second and Larry Zetterquist third, had an eagle, two birdies and seven pars en route to the championship.

He posted his eagle on the par 5 sixth hole (535 yards). Barnett rapped his second shot just two inches from the cup for an easy tap-in eagle.

Barnett, who had placed second twice and three times to go with his two wins in the 15 years of the Fuchsia, shot a three-over 39 on the front nine and a five-over 40 on the back to post his scratch 79.

G. Mignano, the 1983 Fuchsia champ, finished second overall at 79-8-71 with Zetterquist third at 84-11-73, Steve Romito (a four-time Fuchsia winner) fourth at 82-9-73, Dan Divine fifth at 90-16-74, David Mignano sixth at 83-9-74, Dan Degnan seventh at 94-20-74, Paul Bertoldo (the 1980 Fuchsia Champ) eighth at 90-16-74, Ben Leone ninth at 94-20-74 and Mike Leone 10th at 99-25-74.

Tournament director Mike Rom-

ito, who started the event back in 1971 and has run the tourney ever since, finished 11th in the 33-player field at 94-20-74.

G. Mignano was the long drive winner in the tourney, belting a 280-yard drive on the second hole. He also won the closest-to-the-pin competition on the 13th hole with S. Romito winning the same event on the third hole.

The Mignano brothers also won the team competition with their combined scratch score of 145. Defending Fuchsia champ Don Leone was the individual scratch winner with a low 75 for the day. Leone has won the tourney five times.

Nancy Barnett and Karen Romito matched 119 scores to tie for the women's low gross title and Hans Rechenmacher was the most improved golfer, knocking 18 strokes off of his 1984 score in the '85 tourney.

ROSS HITS AN ACE

Seldom does a golfer grab much attention when she places sixth in a tournament. Even more seldom, however, does a golfer connect on that elusive symbol of momentary perfection, the hole-in-one.

But that was exactly what happened to Millie Ross recently, on Guest Day at the Fairway Glen Golf Course. On the 18th hole, she was peerless. With one stroke of her driver, Ross conquered the 151 yard, par-3 hole.

Despite the unmatched finish, Ross and team members Ro Dallas, Rita Robbins and Jewel Hall came in sixth in the tournament with a net score of 123.

At the top of the heap was the team of Betty Wight, Fran Libby, Ruth Gleeson and Ann Goncharoff, who combined for a 119 net. They were trailed by the team of Mary Elledge, Gladys Hunter, Anne Dempsey and Dorothy Haly.

In third place with a score of 121 was the team of Millie Thornhill, Bernice Hilton, Theresa Winters and Enid Ching. The quartet of Phyllis Hooper, Barbara Sano, Nita McMinn and Margaret Baker took fourth with a combined net of 122, and fifth belonged to the team of Ann Klemba, Alice Larko, Olive Butera and Flo O'Reilly.

Betty Hansen captured the closest-to-the-pin competition, as her ball rolled to a halt 16-9 from the pin. Sano took second with an effort of 27-1, and Dempsey narrowly trailed at 28-6.

PALO ALTO ELKS

Walt Hansen and Bill Smith combined for a low 59 to win the Palo Alto Elks' Best Ball Twosome tournament on June 18th at the San Jose Municipal Golf Course.

Tony Abramo and Hank Palladino fired a 60 to finish second, winning a tiebreaker to claim the runner-up spot. Ross Coleman and Charles Bernhardt had also shot a 60 to tie for second, but ended up third after the tiebreaker.

Vic Lakin and Walt Virgin ended up with a 61 to claim fourth.

Lyford Combs and D.C. Warren were the closest-to-the-pin winners in the tour tournament.

SUTTERFIELD TOURNEY

The Jim Sutterfield Memorial Golf Tournament and barbecue will be hosted by the Palo Alto Elks Club on Monday, Aug. 5. All proceeds from the tourney go to the Elks' Crippled Children's Fund. The entry fee for the tournament and barbecue is \$25. For information, call 415-493-4249.

SARATOGA KING-QUEEN

Marilyn and Al Dawson combined for a net 24 to walk away with top honors in the nine-hole King-Queen Tournament in early June at the Saratoga Country Club.

Club pro Mike Fish joined with Betty Lawlace to finish second in the 30-team tournament that was organized by Marilyn Martin and Popsy Henderson.

BUCHANAN A WINNER

In other golf news from Saratoga, six-year-old Craig Buchanan won the closest-to-the-pin award at the

Little Peoples' Tournament at the Sherwood Green Golf Course in Salinas.

Buchanan, a student at Argonaut School in Saratoga, used a wood cut down to his size by his grandfather to drop a tee shot just two feet, six inches from the cup to win the closest-to-the-pin competition.

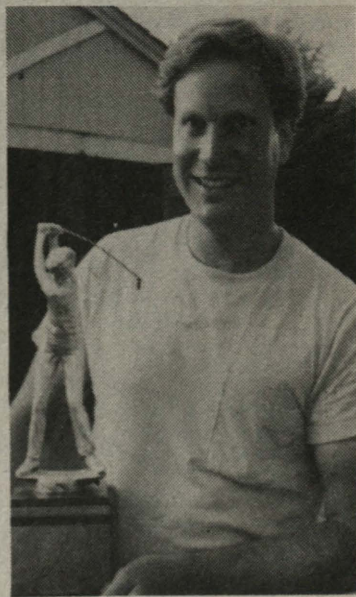

The six-year-old Buchanan was competing in the tourney for 11-and-under kids along with his 11-year-old brother Scott. The two each started playing golf as two-year-olds.

There were 44 players in the June 20-21 tournament, all members of the Northern California Junior Golf Association.

STATE AMATEURS

Fifteen area golfers were in the 200-player field last week for the 74th annual California Amateur Golf Championships slated for the Pebble Beach, Cypress Point, Del Monte and Carmel Valley Country Clubs.

Local players included Jeff Brehaut of Los Altos Hills; John Brodie and Riley Cranston of Los Altos; Pat Chapman, Harvey Kohs and Mark

Dave Barnett won the 1985 Fuchsia Drive Invitational golf tournament title.

Sear of Los Gatos; Gary Conti of Sunnyvale; Jamey Miller of Saratoga; Tom Silva of Santa Clara; and Keith Wheaton, Shawn Kelly, Tom Martin, Ed Pelles, Tom Silva, Todd Stribble and Joe Tamburino of San Jose.

FREMONT ELKS

The Fremont Elks Lodge will host a Four-Man Scramble charity golf tournament on Sunday, Aug. 18, at 11 a.m. at the Spring Valley Golf Course in Milpitas.

The entry fee of \$25 includes green fees, prizes and a barbecued steak dinner. The entry deadline is July 18 and the tournament is limited to the first 144 entrants.

The tourney offers a special hole-in-one prize of a 1985 Buick Regal Somerset.

For further information, call 797-2121.

Giants win Quito major title

There weren't many hits when the Giants and Braves collided to decide the second half championship in the Quito Little League . . . only five to be exact.

But it was the Giants rapping four of the five, including two in the third inning to account for the only run of the day, to secure the Quito major division title.

The Giants had won the first half championship outright, but found themselves deadlocked with the Braves for the second half crown at

the season's end.

David Roeloffs and Michael Tucker combined to flip a one-hit shut-out for the Giants in the single game play-off to help the club to a 1-0 victory and the half title.

Eric Liljeinstolpe and Kris Zankich gave up just four hits for the Braves on the day, but two came in the top of the third when the Giants scored the only run of the game.

Rodney Ramos singled to right and romped home when Mike Twelvetreets boomed a double to left-

center.

The win left the Giants with an 18-4 overall record in 1985 heading into the District 12 Tournament of Champions set for Cambrian Park.

Members of the championship team include Ramos, Roeloffs, Tucker, Twelvetreets, Scott Burns, Brian Butcher, Jason Callejo, Chris Johnson, Richard Key, Ryan Norton, Deny Reak and David Walker. The team is managed by Jerry Ramos.

It's summer, and time for play-offs

Little league baseball, which begins locally in February and March, cannot really be referred to as the summer game. The spring game would be more appropriate.

But when the summer does roll around, bringing the hot air with it, it ushers in the final — and most exciting — portion of the season, when all-star squads culled from the individual teams compete for the district title. And, hopefully, more.

The playoffs!

For District 44, the various lea-

gues that play ball in Los Altos, Sunnyvale, Cupertino, Santa Clara and Campbell have come together to crown a 1985 champion in each of the four divisions — Major, Minor, Junior and Senior.

In the Major division, the first nine playoff games, which will narrow the field to eight teams, were played last weekend, after presstime. The survivors will match up as follows.

The winner of the Los Altos Hills-S.C. Briarwood game will meet the

winner of the Campbell-Sunnyvale Southern game on Tuesday, July 2, on Briarwood's field.

The winner of the S.C. Westside-Sunnyvale Pioneer game will meet the winner of the Moreland-Cupertino National game on Monday, July 1, at the Sunnyvale Southern field.

The winner of the Sunnyvale Metro-S.C. Homestead game will play either Mountain View, or the winner of the S.C. El Camino-Cupertino American game, on Wednesday, July 3, at the Sunnyvale Metro field.

The winner of the Sunnyvale National-Cupertino/Los Altos game will play the winner of the Tri-Cities-Sunnyvale Southern game on Tuesday, July 2, at the Sunnyvale National field.

All playoff games, unless otherwise noted, will begin at 5 p.m. All four divisions feature a single elimination format.

The following Saturday, July 6, the winners of the first two games will meet at the Sunnyvale Metro

field, while the latter winners will hook up at the S.C. Homestead field, to determine the finalists in the championship game. Both of these contests will be played at 2 p.m.

On Tuesday, July 9, the survivors will come together at the S.C. Westside field for the title game.

MINORS

The winner of the Los Altos American-Cupertino American game will play the winner of the S.C. El Camino-S.C. Westside game on July 3, at the S.C. Westside field.

The winner of the Sunnyvale National-Moreland game will play the winner of the Los Altos Hills-Campbell game on July 3, at the Campbell field.

The winner of the Sunnyvale Metro-Cupertino/Los Altos game will play the winner of the S.C. Briarwood-Cupertino American game on July 3, at the Cupertino American field.

The winner of the Sunnyvale Serra-S.C. Homestead game will play the winner of the Tri-Cities-Sunnyvale Pioneer game on July 3, at the S.C. Homestead field.

The victors in the first pair of games will meet at the S.C. Homestead field on July 6, while the sec-

ond set of winners will convene at the Sunnyvale Metro field on the same date. Both games will get underway at 11 a.m.

The title game will be played on July 10 at the Cupertino American field.

SENIORS

The winner of the Sunnyvale National-Cupertino National game will take on Sunnyvale Pioneer on July 2, at the Sunnyvale National field.

On the same day, Tri-Cities will play the winner of the Cupertino American-Sunnyvale Southern game, at the Sunnyvale Southern field.

The victorious duo will get together at the Cupertino American field on July 5 to crown a champion.

JUNIORS

Sunnyvale Southern has a date with Tri-Cities on July 3, at the Sunnyvale Southern field.

On the same date, Cupertino National will play the winner of the Sunnyvale National-Cupertino American game on the Sunnyvale National field.

The championship game is slated for July 6, at 2 p.m., on the Sunnyvale National field.

Meehan, Steinseifer star for WVAT

Jennie Meehan and Carrie Steinseifer brought home two medals apiece while leading a contingent of eight West Valley Aquatic Team swimmers at the Contra Costa International Sports Festival/Northern California Championships.

The event, held at the Concord-Pleasant Hill Swim Team's Cowell Pool in Concord, featured a field of top-ranked swimmers, including Pablo Morales, Jenny

Hau, Terri Baxter, Gerhard Van Der Walt, and Steinseifer.

Although only eight swimmers represented WVAT at the meet, five performed well enough to place in 11 events.

Steinseifer, Saratoga's Olympic veteran, captured the team's only win when she scorched through the 100 free in 58.13. She also earned a medal by taking third in the 200 back, covering the distance in 2:28.90.

Meehan placed in four events, garnering two medals in the process and barely missing a fourth. Medals were awarded to the top three finishers in each event.

Enjoying her greatest success in the freestyle, Meehan placed second in the 400 free with a 4:33.87, third in the 800 free with a 9:20.62, and fourth in the 1500 free with a 17:56.26.

In the only other race she placed in, Meehan took 16th in the

400 individual medley with her time of 5:32.33.

Lowell Voelker and Krissy Arthur each qualified in one event; Voelker placed ninth in the 50 free with a 25.70, and Arthur was 10th in the 100 free with her 1:01.87.

Eric Olsen did best in the backstroke, taking ninth in both the 100 back (1:03.71) and the 200 (2:21.66). He also placed 16th in the 200 fly with a 2:25.27.

A pleasant afternoon in Half Moon Bay!

A ONE-DAY VACATION PLAN:

Too busy to take that much needed R & R? You simply can't spare that time away from the office or home for more than a day or two? Here's a nice solution:

Take a leisurely drive over to quaint Half Moon Bay, a unique little town nestled right beside the blue Pacific Ocean. One can almost turn the clock back when driving through this sleepy little town. I know for certain that no one is suffering from ulcers or nervous indigestion over here . . . these residents are all very relaxed and happy. Their homes are neat and tidy, and most are traditionally old-fashioned and show the wear and tear of the ocean spray and the tolerable fog. A person simply comes to expect the fog to come rolling in by late afternoon.

• • •

Half Moon Bay has a very colorful past, and most of its residents are of Italian and Portuguese heritage. It used to be a busy railroad junction and logging town. And, of course, fishing is very important — most of our local fresh fish comes from off this coastline. A yearly Pumpkin Festival is held at Half Moon Bay, and they're known for growing the largest ever.

This area is also becoming well known for its excellent restaurants and entertainment. Last Sunday, I escorted some friends to the SHORELINE BAR AND GRILL, located at 225 Cabrillo Highway, 2 blocks south of the intersection of Cabrillo Highway and Highway 92. It is a charmer — a definite showplace, situated in a lovely building whose entire facade incorporates more than 500 spectacular bevelled glass panels created by James Hugger of Hugger Studios in Cupertino, who is also one of the owners. This building was the original stationhouse for the coastside railroad, and the restaurant's decor salutes Half Moon Bay's colorful past with historic photographs and artifacts recalling these early days.

We enjoyed a marvelous, and very bountiful, Sunday Buffet Brunch, priced at \$12.95 (Sr. Citizens & children \$10.25 — age 4 and under free). The brunch tables were placed in a T-shape, offering many selections of both hot and cold entrees, hors d'oeuvres, salads and desserts. I must admit that my guests and I returned a time too many for an extra serving: fresh shrimp, cold baked salmon, roast turkey with a marvelous dressing, prime rib of beef, freshly iced fruits and vegetables, fresh baked breads and muffins and a yummy chocolate torte that melts in your mouth. The complimentary champagne flows generously at the SHORELINE, made all the more refreshing by our smiling waitress, Nancy. In fact, the entire crew was so very hospitable and talented. I do tip my chapeaux to Chef Jerome Rafoth, who is a graduate of the California Culinary Academy and has worked for other fine Peninsula restaurants. President Tom Hisata has recently appointed talented Janie Gandolfi as manager. She is a third generation Half Moon Bay resident and was most recently associated with the San Benito restaurant and has a huge following of restaurant diners. Janie loves the restaurant business

and is a specialist in its operation and service. She is very adept in arranging banquets and parties for groups, so take note.

Incidentally, since the restaurant's Sunday Champagne Brunch Buffet has been such a huge success, they are now offering a Wednesday Night Buffet priced at only \$10.25 from 5-9 p.m. which includes a variety of their "California Fresh" cuisine, highlighted by freshly caught local fish, mesquite-broiled meats and locally grown produce.

SHORELINE BAR & GRILL features a full bar and entertainment by well-known guitarist, Richard Patterson. We enjoyed the guitarist and a flutist playing softly throughout brunch.

SHORELINE BAR & GRILL, 225 Cabrillo Highway, 2 blks south of Cabrillo Highway & Highway 92 intersection. Open daily. Lunch 11:30-3 p.m.; Dinner 5-10 p.m. — Sat. & Sun 'till 10:30; Sunday Brunch Buffet 9:30 a.m.-2:30 p.m. (415) 726-7171.

THE BACH DYNAMITE SOCIETY:

After enjoying our fabulous Sunday brunch, my friends and I drove over to the BACH DYNAMITE SOCIETY, where the very talented Chico Freeman Quartet was performing. Chico really makes his saxophone "purrrr." Also enjoyed Cecil McBee on bass, Mark Thompson on piano and Freddy Waits on drums . . . an all-star rhythm section. These Sunday afternoon jazz performances are becoming very popular — doors open at 3 p.m. and contributions will vary from \$8-\$9.50 per person. You may bring your own picnic dinner and drinks, or purchase a delicious light buffet prepared by THE SWEDISH PLACE, a delightful restaurant on Highway 1. These concerts are held at The Douglas Beach House, 2½ miles north of Half Moon Bay. Turn left at Medio, then right to the beach front. FUN!

Winetaster

French influence strong at Clos Du Val Winery

By Mary Lester

BERNARD PORTET IS the French-born winemaker for Clos Du Val, a winery in Napa that comes as close to looking like a Chateau in Bordeaux as any could in California. There's legitimacy behind this look, since Portet spent most of his childhood on the vineyards of Chateau Lafite-Rothschild. His father, Andre, was general manager and winemaker.

Aside from the appearance of the winery itself, the wines are influenced by the French Bordeaux style of winemaking and Bernard admits that when he came to California to begin Clos Du Val in 1972,

the only wines he knew how to make were Bordeaux.

The results show that French influence and California know-how.

One special characteristic of Clos Du Val wines is their lack of noticeable alcohol. There is no "bite" or "burn" in the nose, mouth or aftertaste. Yet, many of the wines are most assuredly in the 13-plus range. Portet is the only person to age white wines in French Nevers oak; actually, he ages almost everything in Nevers. His reasoning is that he believes Nevers gives a more austere wine and it takes longer to mature.

Compare a Chardonnay from Clos Du Val with one aged in the usual Limousin oak. It immediately becomes obvious that the wine aged in Nevers is "tighter" in the nose and flavors and will require longer in the bottle before releasing its complexity. What happens, I found, is that a Nevers aged wine does not

"jump out at you."

A FIRST FOR PORTET is the 1983 Semillon. From my initial sip, it was a winner. The color is 12K gold, a slight bit of grass in the aroma and other smells of both dry and wet leaves. It has a somewhat pineapple taste and its a delicate and delicious wine. This wine is made in the Graves' "Gran Chateaux" manner. It's mainly Semillon and aged in wood. \$7.50.

Many wine buffs consider the 1983 Chardonnay from Clos Du Val the best the winery has made. The wine requires until 1987 for all its flavors to appear and then will hold another 10-12 years from the Vintage date. \$12.

1982 Pinot Noir: it has a crushed rose petal smell, a generous but gentle wine. Longevity: until 1990-92. \$8.

Clos Du Val 1980 Cabernet Sauvignon is a knock-out. Has a very closed nose when first poured. This is a good example of what Portet means when he says his wines are more austere than most and take time to open up and develop. This Cab is waiting, waiting to mature. Shows lots of tannins and could well live to be a 25-35 year-old beauty. It was Bernard's favorite, too. \$14.

THAT FRENCH background, California soil and climate combined with winemaker Bernard Portet's talents, is putting Clos Du Val in the stellar galaxy of wines.

The 4th can be harmful to your pets

The Fourth of July isn't a welcome holiday for many family pets, warns The Humane Society of the United States (HSUS). Each year, dogs and cats get scared, get sick and get lost.

The sounds and sights of fireworks may be a delight to the rest of the family, but are often enough to send an animal into a panic.

The safest place for your pet to be on July 4 is at home.

MIKHAIL BARYSHNIKOV and Company, presented by City Cen-

New look, no porn at Murphy Ave. Cinema

By Jeff Astor

A pornographic scene suddenly faded to a cartoon at the recent grand opening of the Murphy Avenue Cinema in Sunnyvale.

The stunt symbolized an end to the 10-year reign of pornography, and the beginning of a theater showing films with a broader appeal.

Mike Kasik, co-owner and chief operator of the cinema, at 146 S. Murphy Ave., said, "We want something that appeals to all, not just the lustful."

Kasik will specifically seek out films that maintain artistic value and offer moral instruction.

"We want to show finely crafted films to maintain standards of cinematic integrity," he added.

Since its opening June 14, the theater has shown such contemporary hits as "Beverly Hills Cop" and "Amadeus," as well as classics by the likes of The Three Stooges.

In addition to the change in what will appear on the screen, a dramatic physical transformation has also occurred at the theater.

In November 1984, three new and ambitious owners embarked on a \$50,000 renovation plan to improve on the image of the old Town and Country Cinema.

As a result, the theater now enjoys reupholstered seats, new carpeting, fresh paint, a new screen and an overhaul of projection equipment.

"We want something that appeals to all, not just the lustful."

Cinema co-owner
Mike Kasik

"We tried to create a homey, comfortable atmosphere and maintain high standards of cleanliness," Kasik explained.

"We want to experiment with different types of snacks. We'll still have what people expect in a theater, but we plan to sell more," he added.

His specific ideas include pastries, non-alcoholic mixed drinks, ice cream and health-oriented food.

Once his movie business starts rolling, Kasik also hopes to emulate the idea of European cafes.

"The city (of Sunnyvale) might extend the sidewalk — eventually we might turn the front of the place into a type of cafe with waitresses and outdoor tables," Kasik said.

The cinema will show four different films a day, including a midnight feature. A movie buff can enjoy one film for \$2.90, and can stay for up to three more films for an additional \$1 each.

FRENCH DIPPED ROAST PRIME RIB SANDWICH — ONLY \$2.95 AT THE ECHO!

One of John Bikakis' luncheon specs. is his famous French dipped sandwich made w/thick tender roast prime rib of beef, & it's simply delicious. The great thing about this is that it costs only \$2.95, so there is a spot where you can enjoy lunch for a minimal amt. John offers other great summer dinner specialties for only \$4.45, which incl. soup or salad, vegs. & potatoes & one may select from filet of sole, succulent chicken livers, breaded veal cutlet, chicken fried steak, crispy fried chicken & a tender N.Y. steak w/mushrooms. COUNTRY COOKIN' OR CHOOSE CONTINENTAL!

If you have a hankerin' for a good country style dinner, just like your grandma use to make back in Kentucky, let me suggest the COLEMAN STILL Restaurant in Santa Clara. Here you may enjoy everything from Tenn. style rabbit to fried catfish, trout, country smoked ribs & more. Owner Ken Kimmey came from the farm country & uses many of his own grandma's recipes. However, if your companion prefers something more on the continental side, he or she may order scampi, veal piccata, seafood & a variety of meat items. Specs. are served daily.

Drinks are served in a fruit jar glass which is very homey & gives a friendly touch. Oh yes, suppers start at about \$7.95 & if you happen to stop by on Wed. nite you may order Southern style filet of catfish for only \$7.95 w/hushpuppies, homemade biscuits w/grownin' gravy together w/fr. fruits & a trip to their 25-item salad bar. Here's a great opportunity. Hurry on down!

MIKE GALANO — A MAN OF DISTINCTION!

The owner of GALANO'S fine Italian/continental restaurant has recently celebrated his 50th successful yr. as International Cavaliere Culinary & Master Chef. This intimate restaurant specializes in quality. Mike combines Italian cookery w/a type of continental style & lots of friendly hospitality. It's much like an intimate European hideaway. The new bar/lounge is now serving customers & it's very popular. Stop by & enjoy some of GALANO'S prize dishes such as veal Bocconcino a la Romana, crab thermidor, linguini & baby clams w/a mild white sauce & cheese — another house spec. is the pizza Focaccia. You'll enjoy the entire GALANO family, who make certain that everyone is satisfied.

SUNSET DINNERS WITH UNIQUE AIRPORT VIEW AT 94TH!

This incl. entree, soup or salad, rice, potato or noodle & their delicious fr. baked bread. I'm a fan of this particular dinner, having enjoyed it several times in the past. I also enjoy the 94TH because its ambience is so nostalgic. It's patterned after a French chateau in Toul where the original 94TH AERO SQUADRON was headquartered. Many old World War I photos adorn the walls w/unique memorabilia, & right outside the D.R. windows you w/view a relic of Hitler's airforce. Step down to the Ready Room Lounge & enjoy all of the TV events & danceable music. Don't forget Sun. champagne brunch for adults \$11.95 served from 10-3 p.m. Do visit the 94TH.

Righetti, Codioli both almost quit!

Whenever Dave Righetti strides in from the bullpen for the New York Yankees, a victory is usually just a few pitches away for the Bronx Bombers.

And whenever Chris Codioli takes the hill for the Oakland A's, there's a pretty good chance that the guys in green and gold will nail down another American League West win.

The two rank among the best in the business — the pitching business, that is. And they're also both products of the Santa Clara Valley.

Dave Righetti, almost quit

Had it not been for a twist of the fickle finger of fate, we might be seeing Righetti perform on television each week in such events as the Bob Hope Desert Classic and U.S. Open instead of the Saturday Game of the Week!

"He was a heckuva golfer," said Greg Robles, Righetti's teammate at Pioneer and now the starting first baseman for the San Jose Bees of the California League. "He was pretty small then, about 5-7 or 5-8, and he almost quit baseball to play golf."

"That was before he became a pitcher," added Robles, a fine player in his own right who's hitting .310 for the local class A club. "And he was going nowhere as an outfielder."

Of course, Righetti decided to play baseball that spring for the Mustangs. He became a starting pitcher at Pioneer and starred on the diamond in 1976.

From Pioneer, it was off to San Jose City College for Righetti. While playing there, he was drafted by the Texas Rangers and his professional career began. A few years later he was wearing pinstripes and stardom was on its way.

For Codioli, it was after a successful pitching career at Mitty High School that he decided maybe baseball wasn't his game.

The righthander wasn't drafted after his senior year at Mitty, despite posting the second best earned run average in the tough West Catholic Athletic League.

"I was a different type of pitcher then," said Codioli back in a 1981 interview while he was a member of the San Jose Missions. "I guess they didn't feel I had a good enough fast ball."

The surprise of not being drafted was too much for Codioli at the time.

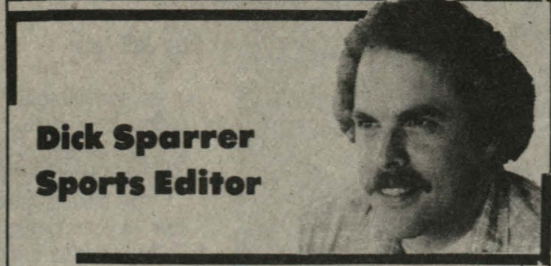

"I was disappointed, and I had given up the game," he said. "But my dad talked me into trying out for the San Jose State team. So I figured, what the heck... I'll give it another shot."

And what a shot it was! Codioli was 5-5 for the Spartans with a 1.21 earned run average. His 0.85 ERA in lea-

But the two have even more in common than that... because they both almost ended their baseball careers before they ever began!

For Righetti, the ace of the Yankee bullpen, the end almost came back in 1975 when he was playing at San Jose's Pioneer High School.

And for Codioli, one of the top starters on the Oakland staff this season, the end almost came with the conclusion of his high school career at Mitty.

Dick Sparrer Sports Editor

gue play was tops in the Northern California Baseball Association, and third in the nation among Division I schools. He also set a school record for most appearances in a single season (23) that still stands today.

Just a year later, he was drafted and then signed by the Detroit Tigers. An arm injury ended his days as a Tiger, but he began a comeback with the Missions in 1981 that ultimately led him to the Oakland A's.

Now Codioli ranks as one of the top hurlers on the A's staff, if not the entire American League, and took an impressive 8-3 mound record into last Friday's start against the Texas Rangers.

And Righetti is one of the (if not the) top relief men in the business, picking up five wins and 12 saves in 1985 heading into play last weekend.

The two are right up there among the American League pitching leaders when just a decade ago they were both considering giving up baseball and letting their lives follow a different course.

It almost seems like fate took a hand... that baseball was their destiny.

Alcoholism. It's the most common social disease in Northern California. And, you don't have to be an alcoholic to feel the pain of alcoholism. You see, alcoholics and people dependent on other drugs don't just hurt themselves. They hurt the people around them, too.

What's worse, alcohol and drug dependent people rarely

Bees are talkin' title at San Jose Muni

By Dick Sparrer

Solid pitching, clutch hitting, come-from-behind victories ... these are the things championships are made of.

And these are the things the San Jose Bees are made of in the early days of the second half of the California League baseball season.

Because the Bees have gotten all three in the first week of the second half to push them into first place in the Cal League's Northern Division.

Now, to mention the San Jose Bees and a championship in the same breath is as unusual at San Jose Municipal Stadium as mentioning the San Francisco Giants and a championship in the same sentence at Candlestick Park.

But two come-from-behind wins against the Reno Padres at Muni last week have the Bees talking title for the first time since 1979.

Actually, it wasn't the Bees taking a championship in the 1979 Cal League season — rather, the San Jose Missions (same club, different

name). The last time the Bees won a league title was in 1974 after they had been a perennial title-contender in the state league in the 1960s.

But all of that is ancient history as far as San Jose field boss Jethro McIntyre is concerned. Right now all he's thinking about is the second half flag in the Cal League, and for good reason.

After wrapping up a three-game series with the Padres last Wednesday night in San Jose, the Bees were sitting atop the Northern Division with a 4-1 record. But, more importantly, the Bees had won 23 of their last 37 games after starting the season with 27 losses in their first 40 games.

And there's a good reason for the Bees' success of late ... they're hitting the baseball, and hitting it with authority!

San Jose's regular starting infield of first baseman Greg Robles, second sacker Phil Smith, shortstop Shawn Barton and third baseman Jim Allen boasts a combined average of .301.

Smith, who has been sidelined of late with an injury, tops the club with his .325 average and leads the team in hits with 80. Robles is close behind on the average charts, hitting at a .311 clip, with Allen and Barton both at .288.

Robles and Allen are also two of the more powerful Bees. Allen, the club's number three hitter, has ripped 16 extra base hits (10 doubles, a triple and five homers) and has knocked in 40 runs and Robles, the clean-up man, also has 16 extra base hits (13 doubles, a triple and two homers) and has driven in 31 runs.

The San Jose outfielders have also been chipping in the power department, the three driving in over 30 runs each and combining for 17 of the club's 29 homers.

Right fielder Tim Hill tops the squad with 28 extra base hits (20 doubles, two triples and six homers) and leads the Bees with 43 runs-batted-in. He's also among the team leaders with his .291 batting average.

Left fielder Belgee Falkner is hit-

ting just .269, but leads the Bees with eight homers. He also has ripped nine doubles and three triples and has plated 32 runs.

Over in center, Alonzo Powell has slipped to a .227 average, but his 18 extra base hits (14 doubles, one triple and three homers) and his 30 rbi's have helped lead the Bees to victories.

It was just that kind of power that led the Bees to a pair of come-from-behind victories against the Padres last Tuesday and Wednesday nights.

A ninth inning grand slam by Hill on Wednesday night keyed a six-run rally by the Bees that lifted them from a 5-1 deficit to a 7-5 win over the Pads.

Robles had singled and doubled to drive in a pair of runs in the win and Allen had two hits and scored twice. Catcher Gary Jones also doubled in the game for the Bees.

Ake Gotoh went eight innings on the hill for San Jose, but left trailing 5-1. Jeff Kobernus tossed the ninth for the Bees, and picked up the win when the club rallied for the six runs

in the ninth.

A night earlier, the Bees had rallied for four runs in the bottom of the seventh to pull out a 6-3 win over the Padres. San Jose had gone into the inning down 3-1.

Former Stanford baseball star Eric Hardgrave had helped put the Padres in front with his 21st homer of the year in the fourth — a solid line drive over the left field fence.

Robles had three hits (including a double) to drive in two runs in the win for the Bees and Allen singled twice to drive in two. Falkner singled and doubled and scored twice for San Jose and Jones had a run-scoring single.

Yasu Kushihiro went the distance on the hill to pick up the win for the Bees, running his mound record to 6-5. Kushihiro shares the team lead in wins with Shawn Stone (6-2) and boasts the club's lowest earned run average at 2.82.

Kushihiro walked just four and struck out eight in the game, taking over the team lead in strike-outs with 71.

The Bees had opened the series losing a 9-5 decision to Reno. Falkner ripped his eighth homer of the year and also singled as he drove in three runs on the night and utility-man Tad Hanyuda was a perfect three-for-three. Allen and Robles had two hits apiece.

San Jose opened the second half with two straight wins in Stockton back on June 22-23.

It was a ninth inning slammer by Powell that led the Bees to a 5-0 win

over Stockton in the second game of the series. Robles doubled in the game.

George Ferran fired a six-hit shut-out for the win, running his record to 5-6 and lowering his ERA to 3.40.

San Jose took its 4-1 second half record on the road to Modesto for three games over the weekend. The A's won the first half title in the Cal League North.

The Bees return home this week to face Redwood, Salinas and Modesto.

The Redwood Pioneers were to visit San Jose Monday to open a three-game series. The two clubs are scheduled to meet in 7:15 p.m. games on Tuesday and Wednesday to close out the set.

Salinas is in for a single game on Thursday, July 4th, at 6:30 p.m. with Modesto coming to town for a one-night stand on Friday, gametime 7:15 p.m.

Fireworks blow, Feller to throw at Muni

Thursdays will be rather special days — or make that nights — out at San Jose Municipal Stadium ... at least for the next two weeks.

Because each of the next two Thursday nights, the San Jose Bees will offer something extra

for fans on hand for California League baseball action.

This week, a 6:30 p.m. Fourth of July battle with the Salinas Spurs will be followed by a special fireworks display at San Jose Muni.

And a week later, when the Bees host the Modesto A's in a July 11th game at 7:15 p.m., Hall of Fame pitcher Bob Feller will be on hand for a special promotion.

Any fan entering Muni with a

catcher's mitt will be admitted free and will get the opportunity to catch a fast ball delivered by the greatest living right-handed pitcher ... Bob Feller.

Miller doesn't win, but picks up ground

By Dick Sparrer

San Jose's Chuck Miller didn't pick up the win in the super modified main event last Saturday night at the San Jose Fairgrounds Speedway — that distinction went to racing legend Nick Rescino of Sunnyvale.

But Miller did pick up something almost as important in the Saturday show at the Speedway ... ground on super mod points leader Mike Sargent of San Jose!

Because while Miller didn't win the main at the local track, he did win the trophy dash and the rugged eight-lap final heat before nailing a third in the feature to cut Sargent's once large lead to just 35 points.

Sargent, who blew a motor in the third heat race and had to sit out the 40-lap main, tops the pack with 387 points. But Miller is now a close second at 352 with Rescino within striking distance in third at 313. Joe McGee if fourth at 254 with Rich Voss of Cupertino fifth at 249.

Both Miller and Rescino picked up much ground on Sargent last Saturday with their solid feature finishes while the leader sat helplessly watching.

Rescino grabbed the lead in the Winston Firecracker 40 on a 27th lap restart and never trailed again, though Jim Perry jr. gave him all he

could handle over the final 13 laps.

Actually it was Perry, who won the Firecracker a year ago, who led most of the main. Perry grabbed the lead from pole sitter Jeff Delte of San Jose on the fifth lap and stayed in front until Rescino took the lead for a single spin on the 24th lap.

Perry moved back in front on the 25th lap, but Rescino regained the advantage on the 27th lap restart and led the rest of the way.

"The two were wheel-to-wheel from the 10th lap on," said track announcer Jim Burns of Rescino and Perry. "But Nick held off Perry by about one and a half or two car lengths in the end."

It was Rescino's third win of the season and his record-tying 33rd career win at the Fairgrounds. Rescino now shares the track career mark with popular John Viel. It was the 103rd career victory overall for Rescino.

"He's getting in the groove now," said Burns of Rescino, who had posted the night's quick time at 13.808. It was the 40th fast time of his career.

Perry nailed second for his best finish of the year. Ironically, his first career victory had come in this race a year ago when he passed Rescino on the final lap to take the checkered flag.

Miller finished third in the main

to creep up on Sargent on the points chart. He had opened the night by winning the three-lap trophy dash in 41.76 with Perry second, Jerry Freitas of Santa Clara third and Rescino fourth, and he also took the final heat at 1:55.38 with Perry second, Gary Willey of San Jose third, Rod Spencer fourth and Nick Ringo fifth.

Voss nailed a fourth in the night's feature with McGee fifth, Delte sixth, Freitas seventh, Viel eighth, Scott Luhdorff of San Jose ninth and Willey 10th. Perry, McGee, Delte and Freitas were the night's qualifiers for the July 20th Johnny Key Classic.

Ron Wiperman nabbed 11th in the main followed by Louis Carlotta of Sunnyvale, Ringo, Spencer, Blair Pine of San Jose, Wayne Katen of San Jose, John Lott of San Jose and Paul Dias of San Jose.

McGee had won the night's 12-lap semi-main with Lott second, Earle Stanton of San Jose third, Pat Hughes fourth and Fernando Arriaga fifth and Art McCarthy jr. of San Jose won the C-race with Roger Curl of San Jose second, Chuck McCurley of San Jose third, Rick Sedillos of

San Jose fourth and Ed Oliveria of San Jose fifth.

McGee won the first heat race with McCarthy second, Stanton third, Mark Sargent of San Jose fourth and Curl fifth and Joey Smtas of San Jose took the second heat with McCurley second, Ken Bowman of San Jose third, Dave Thompson of San Jose fourth and Arriaga fifth.

Lott also won a heat race with Miller second, Ringo third, Willey fourth and Delte fifth and Rescino took a heat win with Perry second, Pine third, Spencer fourth and Viel fifth.

In the night's stock car show, John Keldsen snapped Robert Miller's victory string at five when he led all the way to win the 20-lapper at the Fairgrounds.

Keldsen beat runner-up Mike Petruzzi by two car lengths at the flag to nail his second win of the season and the 11th of his career at the Fairgrounds.

Neal Leitch finished third with Mark Barron of Sunnyvale fourth, Mike Cyrus of San Jose fifth, Raymond Keldsen sixth, Cliff Reinosia seventh, Tom Certo of Santa Clara

eighth and Tim Sodeman of Los Gatos ninth.

San Jose's Miller ended up 10th in the feature after a flat tire in turn two of the 13th lap cost him dearly. Miller had pulled to fifth place in the feature field after starting 14th, but was a lap down after changing the tire.

Alpine Recreation: for people who enjoy the great outdoors

Alpine Recreation, in business in Sunnyvale for 21 years, is for fun people who like the great outdoors.

Alpine owner, Robert Azevedo, president of the national Recreation Vehicle Dealers Association (RV-DA), — has been teased by many of his peers, who have said tent trailers just would not make it! And many times they teased Bob about selling "Rag Tops."

Azevedo has proven them wrong. His family operation and long-term staff now show that tent trailers sell all over, and comprise 25 percent of the RV market in California.

Alpine has been a Coleman Dealer since 1973, and since 1978 has been the largest Coleman dealer in the United States.

Since Coleman controls the camping trailer market in the U.S., we can probably assume Alpine is the No. 1 camping trailer dealer.

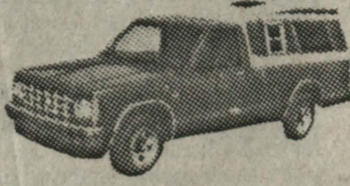

Alpine's other major brand is Komfort. They have been among the top 5 in sales in the U.S. for Komfort for four years.

Bob says, "You can't help but be a success when you have a staff that enjoys what they do."

A well-trained staff has helped to make Alpine Recreation the largest Coleman dealer in the U.S.

Regis chairs drive for diabetic camp

Regis P. McKenna, president of Regis McKenna Inc., and author of "A Touch of Regis," has been named chairman of the Diabetes Society of Santa Clara Valley's 1985 Campership Drive.

McKenna, a diabetic since his youth, said he feels strongly about the benefits of the camp for children with diabetes.

Proceeds from the drive will be used for camperships for families with financial need, and subsidizes all diabetic campers. Camp de los Ninos has been operated by the Diabetes Society of Santa Clara Valley as a resident camp for children with diabetes ages 7 through 16 since 1975.

Freeman heads JA

Cynthia A. Freeman, director of operations for Applied Economics, has accepted the position of president of Junior Achievement of Santa Clara County.

Freeman succeeds Bruce A. Nasby, who was recently named president of Junior Achievement of Southern California.

Junior Achievement of Santa Clara County is the 13th largest JA operation in the nation, reaching more than 13,000 young people through its high school, junior high and elementary school programs. Junior Achievement is a non-profit, business-oriented organization funded entirely by contributions from business and industry and governed by a 60 member Board of Directors.

'Genocide' talk topic

"Genocide in Guatemala" will be the subject of the Santa Clara County Democratic Club's July 8 meeting. Jose Gutierrez, national director of the Guatemalan Relief Project, will present a first-hand account of the "hidden holocaust" which is gradually exterminating the Indian population in Guatemala, but which, he says, is largely unreported in the news media.

In addition, Carol Webb, treasurer of the San Jose Federation of Teachers and a member of a trade unionists' delegation recently returned from Nicaragua, will give an update on Nicaraguan labor union activities.

The meeting begins at 7 p.m. in the Rosegarden Branch Library Community Room, 1580 Naglee Ave., San Jose. For further information, call (408) 247-9513.

Lincoln-Mercury's Sable—a driver-oriented car designed as 'best in class'

FORD'S LINCOLN-MERCURY Division has unveiled its 1986 Mercury Sable, a sleek, front-wheel-drive, mid-sized car designed to be "best-in-class."

Sable is the latest in Mercury's line of driver-oriented cars, with handling characteristics and many new standard product features targeted to outscore competition. The new Mercury Sable is aimed at a wide range of buyers in the growing mid-sized segment, which constitutes about 20 percent of the U.S. car market.

During a five-year development program, Sable designers placed special attention on the combination of attractive form with practical function demanded by consumers.

Available in a four-door sedan with a choice of five- or six-passenger seating and a station wagon with seating for up to eight, the car is powered by a totally new, highly responsive, fuel-efficient, port-injected 3.0-liter V-6 engine, coupled with a new four-speed automatic overdrive transmission.

Sable has a unique, aerodynamic front-end, featuring a "light bar" that sweeps across the front of the car, and flush-mounted headlamps which, combined with flush door glass and the overall shape, give the car an exceptionally low drag coefficient for a quiet, stable ride.

OUTSIDE, SABLE features functional, integrated, 5 mph polycarbonate bumpers. Sable's rear window wraps around for increased visibility, and the windshield is a highly sloped 61 degrees for smooth air flow.

The interior of Sable matches its carefully formed exterior. The instrument panel is designed to enhance the comfort and convenience of the driver, including controls that have a tactile feel for driver security and convenience.

Special contoured seats have been designed for optimal passenger comfort, with an optional lumbar

support on the LS model.

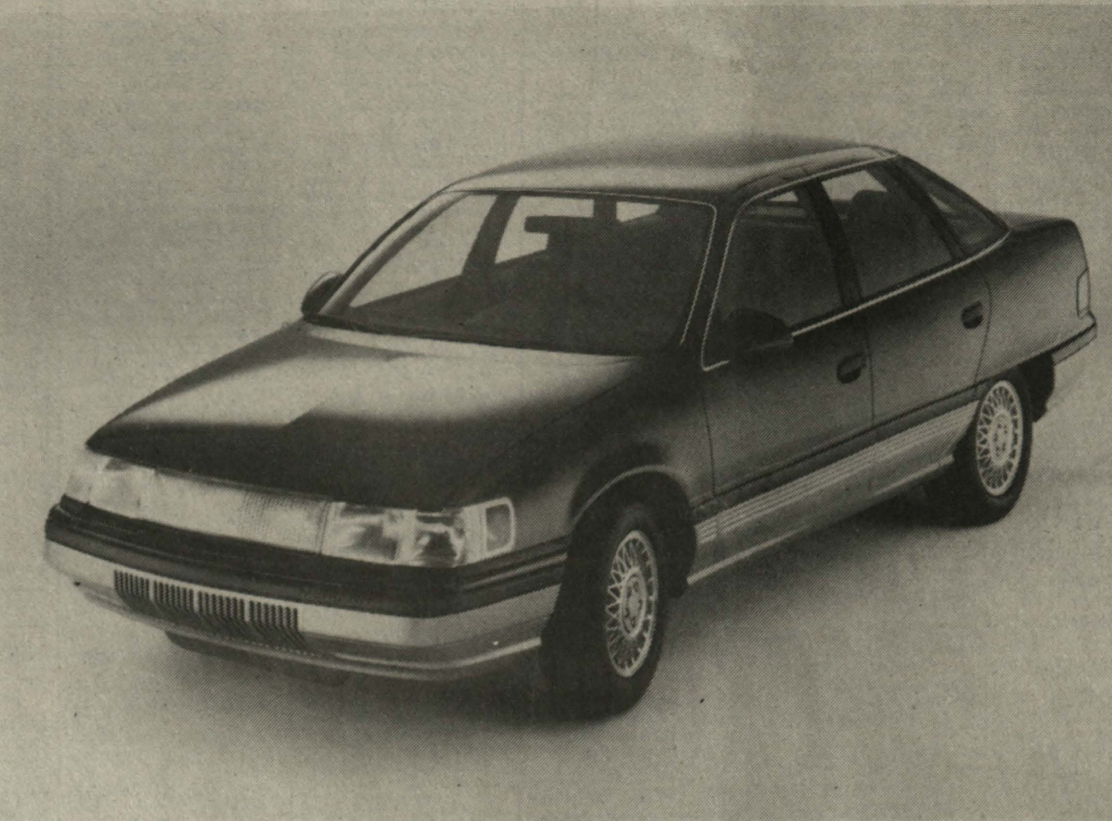

The instrument panel is available with either standard analog instrumentation or optional electronic, digital instrumentation that includes a graphic tachometer display and Tripminder computer.

Sable's design places special attention on occupant safety. The new car features childproof rear door locks, an integrated high-mount rear brake lamp, and doors that resist binding after crashes.

Type 'O' blood needed

The Regional Red Cross Blood Center is currently experiencing a shortage of type "O" negative blood.

Some 8.5 percent of the blood transfused by hospitals in this area is type "O" negative, yet only 6 percent of the blood collected locally is type "O" negative, according to the center.

"O" negative is always needed because people with type "O" negative blood cannot receive blood of any other type. In an emergency, however, "O" negative can be given to almost anyone."

If your blood type is "O" negative, make an appointment to donate blood today. Call the American Red Cross blood center in San Jose at (408) 292-6242.

Adoption meeting

Bay Area Adoption Services Inc. will hold an adoption orientation meeting at 7:30 p.m. Tuesday, July 9, at 1196 Lime Drive, Room 18, Sunnyvale.

The meeting will discuss children in other countries who need adoptive families in the U.S. Bay Area Adoption Services is a licensed, non-profit, parent-led adoption agency serving families in eight counties. For more information, call (408) 736-BASS.

Mended Hearts

The Mended Hearts Inc., Chapter 21, has now added an ongoing, self-help, Women's Support Group for all women patients, spouses, special friends, daughters or anyone who is female and connected with a heart patient in any way.

It is the first group of its kind, in the nation. It meets the first and third Wednesdays at 8 p.m. in members' homes. For further information, call Marlene Kazliner at 268-6487 or Pat Kelz at 866-8380.

The wagon has a different rear suspension to maximize its cargo-carrying volume while still providing a ride comparable to that of the sedan.

The construction and design of the car make maximum use of robotics and automation. Eighty percent of the technical drawings for Sable were generated through the use of computer-assisted design and 96 percent of the body welds at the assembly plants will be performed

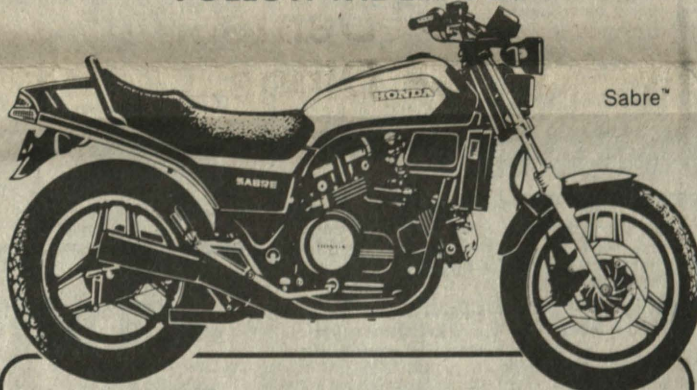

by automated or robotic systems.

WHEN THE SABLE arrives in Lincoln-Mercury dealer showrooms next fall, it will continue the division's trend toward reduced proliferation of models, series and options. Consumer benefits of that simplification, which began in 1984 with the Topaz, include both easier ordering and higher assembly quality due to increased manufacturing standardization.

July 6 through July 12
Olga Knows
Patsy Milligan Syndicate

ARIES (Mar. 21-Apr. 19): Cycle high. Communication barrier drops. There is much coming and going from now through early August. Spoken, written word can lead to greater harmony in family. What is kind can be said in any language, what is mean should be said in none.

TAURUS (Apr. 20-May 20): Generous Venus (your planet) leaves your solar sign and enters Gem, your house of money. Your public library offers light, but warmth comes from cold, hard cash. High cycle begins July 10. Take one giant step toward personal goal. Olga says: Moon says so, too.

GEMINI (May 21-June 20): Romantic Venus enters your solar sign and social life gets needed lift. You are reminded that where love is, no room is too small. Week suggests to a quiet close.

CANCER (June 21-July 22): You long for peace and quiet, but it's not in the cards. It's not in the stars, either. Venus, planet of love and romance, influences on an unconscious level. Caution: Light love, heavy consequence. Week ends with a whisper.

LEO (July 23-Aug. 22): Flirty Venus is up to her old tricks again. Friends become lovers, and lovers become friends. Complex week ends on weary note of compromise. "If you can't catch a bird of paradise, better take a wet hen."

VIRGO (Aug. 23-Sept. 22): Cycle low as week begins. Status, reputation move to the front burner. But before you begin to climb social ladder, take time to count the rungs. Week ends on note of nonsense.

LIBRA (Sept. 23-Oct. 22): Cycle low. Attachments made to people of other races, creeds, cultures can have long-term impact on your spiritual, emotional life. As you act, Heaven reacts. Week ends on pensive note.

SCORPIO (Oct. 23-Nov. 21): Cycle low. Financial gain through marriage, partnership probable. Intense emotions (jealousy, possessiveness) cloud issues. Love may be blind as a bat, but jealousy sees way too much. Week ends weakly.

SAGITTARIUS (Nov. 22-Dec. 21): Hell-on-the-home front turns into a little spot of heaven. Loving Venus slips into your house of marriage, partnership and harmony is restored. Temporality, at least. But only a peace between equals can last.

CAPRICORN (Dec. 22-Jan. 19): Venus smiles and health improves during remainder of July. "Eat a third and drink a third, but leave the remaining third of your stomach empty: for then, if anger overtakes you, there will be room for your rage."

TALMUD: Gittin, 70, a.

AQUARIUS (Jan. 20-Feb. 18): Romance highlighted. Cancer the Crab slides up to your beach towel and attraction is obvious. Your heart sees better that your eye this week. Week of commotion ends with a coup.

PISCES (Feb. 19-Mar. 20): Cycle high. Home, family, security occupy your time, energy, capital. Harmony is appreciated against a background of discord. You dance to your own tune, which is only slightly off-key. Week ends with an Irish whistle.

July 6 through July 12
Olga Knows
Patsy Milligan Syndicate

ARIES (Mar. 21-Apr. 19): Cycle high. Communication barrier drops. There is much coming and going from now through early August. Spoken, written word can lead to greater harmony in family. What is kind can be said in any language, what is mean should be said in none.

TAURUS (Apr. 20-May 20): Generous Venus (your planet) leaves your solar sign and enters Gem, your house of money. Your public library offers light, but warmth comes from cold, hard cash. High cycle begins July 10. Take one giant step toward personal goal. Olga says: Moon says so, too.

GEMINI (May 21-June 20): Romantic Venus enters your solar sign and social life gets needed lift. You are reminded that where love is, no room is too small. Week suggests to a quiet close.

CANCER (June 21-July 22): You long for peace and quiet, but it's not in the cards. It's not in the stars, either. Venus, planet of love and romance, influences on an unconscious level. Caution: Light love, heavy consequence. Week ends with a whisper.

LEO (July 23-Aug. 22): Flirty Venus is up to her old tricks again. Friends become lovers, and lovers become friends. Complex week ends on weary note of compromise. "If you can't catch a bird of paradise, better take a wet hen."

VIRGO (Aug. 23-Sept. 22): Cycle low as week begins. Status, reputation move to the front burner. But before you begin to climb social ladder, take time to count the rungs. Week ends on note of nonsense.

LIBRA (Sept. 23-Oct. 22): Cycle low. Attachments made to people of other races, creeds, cultures can have long-term impact on your spiritual, emotional life. As you act, Heaven reacts. Week ends on pensive note.

SCORPIO (Oct. 23-Nov. 21): Cycle low. Financial gain through marriage, partnership probable. Intense emotions (jealousy, possessiveness) cloud issues. Love may be blind as a bat, but jealousy sees way too much. Week ends weakly.

SAGITTARIUS (Nov. 22-Dec. 21): Hell-on-the-home front turns into a little spot of heaven. Loving Venus slips into your house of marriage, partnership and harmony is restored. Temporality, at least. But only a peace between equals can last.

CAPRICORN (Dec. 22-Jan. 19): Venus smiles and health improves during remainder of July. "Eat a third and drink a third, but leave the remaining third of your stomach empty: for then, if anger overtakes you, there will be room for your rage."

TALMUD: Gittin, 70, a.

AQUARIUS (Jan. 20-Feb. 18): Romance highlighted. Cancer the Crab slides up to your beach towel and attraction is obvious. Your heart sees better that your eye this week. Week of commotion ends with a coup.

PISCES (Feb. 19-Mar. 20): Cycle high. Home, family, security occupy your time, energy, capital. Harmony is appreciated against a background of discord. You dance to your own tune, which is only slightly off-key. Week ends with an Irish whistle.

Levitt's trendy Sea Spray condos

Sea Spray, a trendy condominium community at the water's edge in Foster City, celebrated its grand opening Saturday June 29. According to Paula Laskelle, vice president for the builder, Levitt Properties Inc., the refreshing designs are attracting upscale buyers who have a definite preference to live on the Peninsula.

Sea Spray offers six innovative floorplans designed for people who appreciate smooth function and dramatic styling. The one-, two- and three-bedroom homes are priced starting in the mid-\$100,000s, with excellent financing options available to qualified buyers, according to Laskelle.

"People are looking to reduce stress in their lives by cutting down on commute time and home maintenance chores," Laskelle said. "Sea Spray's Ideal Peninsula location and the carefree, low-maintenance lifestyle available through condominium ownership are big pluses to our buyers, who are mainly professionals working in San Francisco, Silicon Valley or at the airport."

Offering up to 1,546 square feet of living space, interiors at Sea Spray provide artistic design and flexibility, combined with uncompromising quality.

"Sea Spray's theme is 'make a splash of living,' and our designs encourage buyers to do just that," said Laskelle. "The living and entertainment areas are very spacious and open onto wide balconies that invite enjoyment of the tranquil outdoor atmosphere associated with water-oriented locations."

Of special interest to buyers are the security and recreational features offered at Sea Spray. Parking is controlled by electronic gates with automatic openers. Building access

Sea Spray condominiums recently opened in Foster City.

is also electronically controlled, and individual front entrance doors have security viewers and dead bolt locks.

An active lifestyle is highlighted through amenities provided for the exclusive use of residents, such as swimming pools, tennis courts, spas, sauna, cabana and clubhouse.

Also, the community is bordered by more than one-half mile of jog-

ging and cycling trails along Marina Lagoon's peaceful shoreline, encouraging morning and evening exercise.

To reach Sea Spray, take Highway 101 to the Hillsdale Boulevard (Foster City) exit. Go east one-half mile to Sea Spray Lane and turn left to the sales office. Open daily from 11 a.m. to 6 p.m. For further information, call (415) 574-1500.

THE ROAD TO SAVINGS!

If Bing, Bob and Dorothy had thought of it, they probably would have made one of their "Road" movies about grocery shopping and called it "The Road to Savings". First stop on that adventure would be a cute, little corner market. Old Mom and Pop mean well, but they don't have the volume of business to keep prices down.

Next stop on the road would be the big, impersonal chain supermarket. They have lots of money to sell their slogans, but

Bing, Bob and Dorothy would soon learn that the specials aren't so red hot.

The big warehouse store would eventually lure them in, but the lack of savings in time and energy would make the price savings miniscule.

And where would the Road to Savings ultimately lead them? Why, Nob Hill, of course! (Have you seen this movie before?) Perfect produce to save your health, USDA Choice meats to save your value-conscious mind, and service to save your dignity.

Find the Road to Nob Hill this week...it's the summer box office winner!

NOB HILL RECIPES

Hot youngsters? Cool 'em off with a refreshing Raspberry pop.

YOPLAIT RASPBERRY POPS

2 1/2 cups fresh or frozen (partially thawed) raspberries, well drained
8 paper cups (3 or 4 ounce size)
2 cartons (6 ounces each) Yoplait Original raspberry yogurt or Custard style raspberry yogurt from Yoplait
8 wooden sticks

Divide 1/2 cup of the raspberries among paper cups. Place yogurt and remaining raspberries in blender container. Cover and blend on medium speed until smooth, 15 to 30 seconds. Divide mixture among paper cups. Freeze until firm enough to hold wooden stick upright, about 30 minutes. Insert wooden stick in center of each pop. Freeze until firm. To serve, peel off paper. Makes 8 pops.

Enchilada sauce and avocado are used to make this delightful pot roast.

ZESTY SKILLET ROAST

1 1/2 pound boneless beef chuck roast
2 tsp. vegetable oil
1 can (19 ounces) enchilada sauce
1 avocado
1 tbsp. lemon juice
sour cream, if desired

Trim excess fat from pot roast. Heat oil in non-stick surface skillet until hot. Cook pot roast in hot oil until browned, about 5 minutes per side. Pour enchilada sauce over roast. Heat to boiling; reduce heat and cover. Simmer until roast is tender, 1 to 1 1/2 hours. Slice avocado; sprinkle with lemon juice.

Remove roast from skillet; slice thinly. Arrange beef slices on serving plate; spoon sauce over slices. Surround with avocado slices. Serve with sour cream. Makes 4 servings.
